In A Nutshell

The Honeycomb by Exhale Spa Escapes is an exclusive membership based wellness spa club. Hosting a wide variety of services to meet your specific wellness needs, we are here to assist you in creating a higher quality life and optimal wellness. We as service providers and members of the Honeycomb Collective, cater to the special needs of high level professionals, business executives and successful entrepreneurs.

Our sweets (services and life enhancements) include mind-body-spirit conditioning via:

- personal training
- group fitness
- spa treatments
- massage therapy
- skin care
- yoga
- martial arts and self defense
- hypnotherapy
- acupuncture
- nutrition & wellness coaching
- cooking classes
- meal prep & planning
- corporate wellness
- spa parties & events
- wellness seminars & workshops
- and more

Best of all, we are mobile. We bring the best kept secrets in town to you home, office or other venue.

Who's Who

Shontrell "Shon" Robinson
Hands 'n Motion

Specializing in relaxation, Shon is an ideal choice for muscle tension and stress relief. She is licensed in massage therapy in Tennessee and Mississippi and thoroughly believes in the healing power of touch. Shon, in kindness, looks forward to assisting you with your desired health and wellness goals as well as producing your perfect spa party or group event.

Darlene "D Rich" Richardson
Exhale Spa Escapes

Meeting you where you are and guiding you along your journey to where you want to be, making your dreams of wholistic wellness and optimal health a reality, is what Darlene specializes in. A true visionary, her approach is not only personal and attentive but also intuitive, adaptive and comprehensive. She uses her gifts to share love, peace and joy with others through wellness coaching, spa therapy, yoga and massage.

Kineth "Mr. Unique" Cobb
Coal Diamond Massage

With a mission to help heal the mind-body-soul for the long and healthy life of those he serves, Kineth is "out the box" and in the world of therapeutic touch therapy with purpose and finesse. Kineth views massage as a method of creative expression and implements innovative techniques to accommodate the needs of the clients he serves.
